GENERAL DISCUSSIONS

The need for continued maintenance and improvements to George Freer Park was discussed.

It was mentioned that perhaps a 'WATERFRONT NEWS" Facebook Page could be created

to generate more energy surrounding the waterfront in the hopes of getting more people involved in it's preservation. This of course would have to be first presented to the Town Board for their input and consideration.

Next Meeting will be Tuesday, November 27th at 7:00 pm.

There being no further business, the meeting was adjourned at 7:45 pm.

Respectfully Submitted,

Karyn E. Grieco
